Form Instructions

Completing the Form: On each form, fill out the institution of higher education (IHE or institution) name, the date of the report, the appropriate quarter the report covers (September 30, December 31, March 31, June 30), the 11-digit PR/Award Number (number is found in Box 2 of your Grant Award Notification (GAN)) for each HEERF grant funding stream as applicable, the total amount of funds awarded by the Department (including reserve funds if awarded), and check the box if the report is a “final report.” Institutions that expended HEERF grant funds during the calendar quarter from January 1 – March 30, 2021 are required to post the quarterly report that involved the expenditure of HEERF II CRRSAA and HEERF I CARES Act funds. The Department did not previously affirmatively indicate this reporting requirement was in place for HEERF II CRRSAA funds. As such, institutions may have until the end of the second calendar quarter, June 30, 2021, to post these retroactive reports if they have not already done so. As of the July 10, 2021 quarterly reporting deadline, institutions are encouraged, but not required to, submit the quarterly reports (this institutional reporting form and the student quarterly report) to the Department by emailing those reports as PDF attachments to HEERFreporting@ed.gov.

In the chart, an institution must specify the amount of expended HEERF I, II, and III funds for each funding category: (a)(1) Institutional Portion; (a)(2), and (a)(3), if applicable. (a)(2) funds include Assistance Listing Numbers (ALNs) 84.425J (Historically Black Colleges and Universities (HBCUs)), 84.425K (Tribally Controlled Colleges and Universities (TCCUs)), 84.425L (Minority Serving Institutions (MSIs)), 84.425M (Strengthening Institutions Program (SIP)); (a)(3) funds are for ALN 84.425N (Fund for the Improvement of Postsecondary Education (FIPSE) Formula Grant) and 84.425S (SAIHE). Each category is deliberately broad and may not capture specific grant program requirements. Explanatory footnotes help clarify certain reporting categories. While some items in the chart are blocked out, please note that the blocking of such items is consistent with Department guidance and FAQs and is not definitive. Provide brief explanatory notes for how funds were expended, including the title and brief description of each project or activity in which funds were expended. Do not include personally identifiable information (PII). Calculate the amount of the (a)(1) Institutional Portion, (a)(2) and (a)(3) funds in the “Quarterly Expenditures for each Program” row, and the grand total of all three in the “Total of Quarterly Expenditures” row. Round expenditures to the nearest dollar. If there is no expenditure to report for a given cell, fill it with a “0.” Please refrain from using any symbols throughout the form, including but not limited to “>” or “~.”

Posting the Form: This form must be conspicuously posted on the institution’s primary website on the same page the reports of the IHE’s activities as to the emergency financial aid grants to students made with funds from the IHE’s allocation under (a)(1) of the CARES Act, CRRSAA, and ARP (Student Aid Portion) are posted. It must be posted as a PDF. No handwritten or scanned PDFs are allowed. Please refrain from adding additional material to the uploaded form. The PDF must be named in the following manner: [8- digit OPEID]_[Survey Name]_[Quarter/Year]_[Date of Release]. For example, 01177600_HEERF_Q32021_101021. The 8-digit OPEID can be found at the [DAPIP website](#) or the [NCES website](#). In the event a DUNS number applies to multiple OPEIDs, use the OPEID for the campus with the highest enrollment. The quarter pertains to the calendar year, following the same cadence the reporting periods follows. The date of release should be reported as the deadline for form submission, 10 days after the end of each reporting period. A new separate form must be posted covering each quarterly reporting period (September 30, December 31, March 31, June 30), concluding after either (1) posting the quarterly report ending September 30, 2023 or (2) when an institution has expended and liquidated all (a)(1) Institutional Portion, (a)(2), and (a)(3) funds and checks the “final report” box. IHEs must post this quarterly report form no later than 10 days after the end of each calendar quarter (October 10, January 10, April 10, July 10). Each quarterly report must be separately maintained in a PDF document linked directly from the IHE’s HEERF reporting webpage. Reports must be maintained for at least three years after the submission of the final report per 2 CFR § 200.333. Any changes or updates after initial posting must be conspicuously noted after initial posting and the date of the change must be noted in the “Date of Report” line.

Please update this date if there are any changes or updates after initial posting. Any changes or updates after initial posting must be conspicuously noted.

² Please note that the categories listed may include categories that are applicable to only one or two, and not all, of the grant programs for which information must be reported on this form. Further, each category is deliberately broad and does not capture specific grant program requirements. For example, pursuant to Section 18004(c) of the CARES Act, the Section 18004(a)(1) Institutional Portion funds may only be used "to cover any costs associated with significant changes to the delivery of instruction due to the coronavirus..." and any applicable categories in the chart must meet this requirement. Please refer to the applicable Certification and Agreement and the Department's HEERF FAQs for more information available on our HEERF website here: <https://www2.ed.gov/about/offices/list/ope/caresact.html>.

³ To support any element of the cost of attendance (as defined under Section 472 of the Higher Education Act of 1965, as amended) per the Interim Final Rule published in the *Federal Register* June 17, 2020 (85 FR 36494). Community Colleges in California, all public institutions in Washington State, and all institutions in Massachusetts have different requirements due to recent U.S. District Court actions. Please discuss with legal counsel. HEERF litigation updates can be found here: <https://www2.ed.gov/about/offices/list/ope/heerfupdates.html>.

Higher Education Emergency Relief Fund (HEERF) reporting

9/16/2020

Coronavirus Aid, Relief, and Economic Security (CARES) Act was signed into law on March 27, 2020. Part of the CARES Act (HEERF) was created for distribution to colleges and universities, intended to help offset costs to students and institutions resulting from campus disruptions due to the Coronavirus.

1. O'Brien's Aveda Institute signed and returned the Certification and Agreement which assures that the College will use no less than 50% of the funds received for emergency financial aid grants.
2. O'Brien's Aveda Institute received \$53020.00 from the HEERF on May 29, 2020. We are awarding these funds directly to students to help with expenses incurred as a result of the disruption caused by COVID-19.
3. As of September 16, 2020, \$53020.00 has been distributed to students.
4. O'Brien's Aveda Institute has 40 students eligible to receive emergency financial aid grants.
5. As of June 24, 2020, no O'Brien's Aveda Institute students have received emergency financial aid grants.
6. The method used by O'Brien's Aveda Institute to determine which students receive emergency financial aid grants is as follows:
 - Determine if an enrolled student's education was disrupted financially by the Covid-19 pandemic and the actions taken by local and national bodies of government to try to prevent the further spread of the virus. The institute created a form for students to complete to verify that they were affected and that they intend to use the funds for one or more of the expenses listed on the CARES Act certification and agreement document (food, housing, course materials, technology, health care, child care expenses)
 - Distribute funds based on course length.
