Voter Registration Forms

The Higher Education Act, 20 U.S.C. 109 (a) requires institutions of higher education to attempt to distribute mail-in voter registration forms and make such forms widely available to students enrolled in degree or certificate programs in years when there are elections for federal office, governor or other chief executives within the state. More recent legislation amended the law to allow institutions to comply through electronic distribution as long as the transmitted message contains either their state's voter registration form or an internet address where such a form can be downloaded, provided that this information is in an electronic message devoted exclusively to voter registration.

In Vermont, you must:

- Be a citizen of the United States
- Be a resident of Vermont
- Be 18 years of age on or before Election Day
- Take the Voter's Oath

I have been offered a Voter Registration Form.
